

CATARRH OF THE KIDNEYS NOT ALWAYS RECOGNIZED.

A Cold Settled in Kidneys,
Causing Serious Trouble.
Pe-ru-na Restores Health.

CATARRH of the kidneys is a very much neglected disease. It is not until the disease has a firm hold upon the kidneys that the patient begins to realize that there is some derangement of these organs. The slight backaches, the feelings of lassitude, and other warning symptoms of kidney disease are overlooked. They are not serious enough to detain the patient from his regular work.

Even when he discovers that the kidneys are affected, he does not recognize the difficulty as being caused by catarrh.

Catarrh is sometimes so very gradual in its approach and its earlier symptoms cause such slight discomfort that it is not noticed.

However, when it is once firmly seated in the kidneys it becomes a difficult disease to exterminate.

Indeed, catarrh of the kidneys is more serious than catarrh affecting some of the other organs of the body.

In the kidneys it is liable to terminate in Bright's Disease or diabetes, both of which are recognized as very serious ailments, if not fatal. The thing to be done, when catarrh of the kidneys is discovered, is to take some internal, systemic catarrh remedy, one that reaches the very source of the catarrh and removes the cause of the difficulty.

Such a remedy has been found in Peru-na. It reaches catarrh, no matter where it may be located in the body—whether in the more exposed membranes of the nose and throat, or whether in the remotest part of the kidneys.

That Peru-na is at once the safest and most reliable remedy for catarrh of the kidneys is proven by the many testimonials written by those who have experienced its benefits.

The testimonials given here are only specimens of the many testimonials on our records, pertaining to the relief afforded by Peru-na in severe cases of kidney trouble.

Kidney Disease of Long Standing.

Mr. Samuel A. Paxton, 1113 Troost Ave., Kansas City, Mo., member I. O. O. F., and National Amnity Association, writes: "I am a well man today, thanks to Peru-na. I was troubled with catarrh and kidney disease of long standing when I first began using Peru-na."

MR. JOHN N. WATKINS.

Mr. John N. Watkins, 3133 Shenandoah Ave., St. Louis, Mo., writes:

"Among all the greatly advertised medicines for kidney and bladder trouble there is nothing which equals Peru-na. I suffered for several years with this trouble, spent hundreds of dollars on doctors and medicine and all to no purpose, until I took Peru-na."

"One bottle did me more good than all the others put together, as they only poisoned my system. Peru-na cured me. I used it for four months before a complete cure was accomplished, but am truly grateful to you. The least I can do in return is to acknowledge the merits of Peru-na."

Kidney Cough, Asthma.

Mr. W. F. Clow, 428 E. St. Vrain St., Colorado Springs, Col., a retired real estate man, writes:

"I am a man of over seventy years and feel that I owe my present good health entirely to Peru-na. I began using it about a year ago for asthma and kidney trouble, and took several bottles. I have not felt better for years."

"Different members of my family have used it also, and have only words of praise to speak for Peru-na."

Peru-na wields a powerful influence on all the mucous membranes, and it reaches catarrh wherever it is located.

ZION TO HAVE ART EXHIBITION

Undertake Arrangement for Exhibit in Salt Lake in December—First in Years.

Salt Lake, Oct. 22.—Salt Lake is to have the state art exhibit this year in December. This is the first time for three years the institute has exhibited in this city and the artists are much gratified with the prospects for a better exhibition of works of art than has heretofore been made in the state. The dates for the exhibit are Dec. 5 to 31 and the large display room on the ground floor of the Vermont building will probably be secured for the exhibit. The institute met last evening at the residence of Mrs. Elizabeth Bonner and elected officers for the year as follows: Edwin Evans, president; R. R. Irvine, Jr., vice president; Mrs. Elizabeth Bonner, secretary and treasurer; Mrs. Virginia Stephens, assistant secretary and treasurer. The committee on exhibit was named as follows: A. B. Wright, M. M. Young and L. G. Richards. The purchasing committee is composed of Edwin Evans, Donald Beauregard, W. G. Browning, J. T. Harwood, Miss Mary Teasdale, Larus Pratt and A. B. Wright. The judges of election are Donald Beauregard, Mrs. Virginia Stephens and R. R. Irvine, Jr. The lectureship committee is composed of Mr. Irvine, Mrs. Stephens and James Erskine. No formal notice of the proposed exhibit is to be sent to artists, the institute deciding to give all notice through the press. Artists, however, desiring information concerning the exhibit may correspond with Mrs. Stephens at the University of Utah. There will be \$1,500 in prizes and purchase prices for the works to be purchased by the state, the remaining \$500 of the state appropriation to be used to defer the expenses of the exhibit.

BRYAN'S EFFORT TO DEFEAT "UNCLE JOE"

Makes His Sixth Speech in Speaker Cannon's District.

DANVILLE, ILL., Oct. 22.—Wm. J. Bryan made his sixth speech in the eighteenth congressional district here tonight in an effort to help defeat Speaker Cannon and to pay an old political debt to the speaker's opponent, William L. Cundiff, the Democratic nominee, who nominated Bryan when the latter ran for congress 20 years ago.

He said in part: "I know both of these candidates personally and I know what they stand for. I have known Mr. Cundiff for more than twenty years and Mr. Cannon for almost twenty years."

"Mr. Cundiff's chances of election are better now than were mine when I was nominated for congress. There was a change of over 10,000 votes in my district, then, and it will only require a change of 7,500 in this district to elect him. I was elected in the landslide that followed the passage of the McKinley bill, and the revolt against the Republican leaders this year is greater than that of 1890."

"We have a standpat Republican in Nebraska running for the senate. I will give Mr. Cannon's committee one hundred dollars if you will persuade Senator Burkett to speak here. It would be worth that much to Nebraska. I will give the committee twenty-five dollars if it will publish in a week a telegram from Mr. Burkett urging the re-election of Mr. Cannon and expressing regret that he cannot speak in this district."

ARGUMENTS BEGIN MONDAY MORNING

Springfield, Ill., Oct. 22.—Arguments will begin Monday morning in the Sangamon county circuit court in the case of the people versus Senator Stanton C. Penberton of Oakland and Representative Jos. S. Clark of Vandallia, charged with conspiracy to secure money for themselves in awarding the contract for new desks and chairs.

At 3:15 o'clock this afternoon the last four members of the jury were secured.

ROOSEVELT TALKS IN NEW HAMPSHIRE

Ex-President Urging the Election of Bass As Governor.

Says Uncle Sam Should Tell Corporations to 'Tote Fair.'

NASHUA, N. H., Oct. 22.—Theodore Roosevelt went campaigning across New Hampshire today and urged the election of Robert P. Bass, Republican candidate for governor and the rest of the ticket. Beginning with a speech in Concord, he stopped off at Manchester, and wound up the day with an address in Nashua.

Mr. Bass obtained his nomination in a campaign against what he characterized as the domination of the state by railroad influence. Colonel Roosevelt spoke of the recent statement of Charles S. Mellen, president of the New York, New Haven and Hartford railroad and of the Boston and Maine, that hereafter the railroad would take no part in politics in New Hampshire. He told the people that while he was glad Mr. Mellen had said what he did, they ought to see to it that the railroads kept out of politics in the future, not because they wished to but because they had to.

At Manchester, Colonel Roosevelt talked bareheaded while the rain drops pattered down. In this speech he emphasized "new nationalism." He described his attitude toward control of corporations in this way:

"All I want to see Uncle Sam do is to say to the corporations, 'come, come you vote fair.'"

"I never believed I had any genius," the Colonel said at Nashua.

"All I have done is to apply to governmental problems just the same qualities we expect a decent man to show in his business dealings. I have been surprised at the support I have obtained and at the animosity I have aroused. That group of financiers known as Wall street has got to a condition where it is seeing things at night."

"The New York papers which supported Wall street," he said, "even say I want to be king." He said the vast majority of very rich men in New York were supporting the Democratic ticket, "because they say they are afraid of me. Well, they need not be afraid of me unless they want to do something crooked."

COLORADO WINS FROM UNIVERSITY

Hard Fought Game Ends in Victory for Visitors By Score of 22 to 17.

Salt Lake, Oct. 22.—Colorado College won from the University of Utah 22 to 17, in a hard fought game. Colorado played the more consistent football and while neither side could gain ground on straight play, the Tigers earned the victory.

In the first quarter Colorado blocked a punt and Witherow fell on the ball back of Utah's line for the first score. In the second quarter Witherow recovered a fumbled forward pass and ran forty yards for the second touchdown. This was followed by a pretty forward pass on which Thompson scored. Utah took the lead in the third quarter, 17 to 16. Romney and Home scoring on forward passes and Richardson hitting the line for the third score.

In the last quarter Vandemoer ran twenty-five yards on a shift play for the winning score. There were no injuries.

PRaises Work of Fire Fighters

Colored Soldiers Under Lieut. Mapes Rendered Wonderful Aid to Forestry Service.

WASHINGTON, Oct. 22.—Secretary of the Interior Ballinger has transmitted to the war department a letter from W. R. Logan, superintendent of the Glacier national park in Montana, commending the United States troops called out to fight the forest fires.

"I deem it only proper that I call your attention to the splendid work done by the troops fighting fires in Glacier national park," wrote Superintendent Logan.

"Colonel Maney, in command of the troops from Fort Assiniboine, was alive to the situation, and he and his command did splendid work. The enlisted men stood the hardship without a murmur, working alongside of civilians who were drawing 25 cents an hour and board the very best money could buy."

"I had one company of the Twenty-fifth infantry (colored), stationed at Fort Essex, under the command of Lieutenant W. S. Mapes. I doubt if I can say enough in praise of Lieutenant Mapes and his negro troops. The work performed by them could not be improved upon by any class of men. To their lot fell the worst fire in the park, and they went at its extinguishment with snap and energy, built roads and trails and miles of fire guard trenches without the least sign of discontent."

**\$3.50 RECIPE CURES
WEAK MEN—FREE**

Send Name and Address Today—
You Can Have It Free and Be
Strong and Vigorous

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop dragging himself with his painful patent medicines, secure what I believe is the quickest-acting restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and no cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 4420 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but send it entirely free.

DELEGATES FAVOR SALT LAKE CITY

Professor L. A. Merrill Says the Convention in Zion Was the Best.

Salt Lake, Oct. 22.—Following a meeting of the convention committee of the Commercial club yesterday afternoon, Joseph E. Caine, secretary of the club, gave out the statement that in all probability the Dry Farming congress for 1912 would be held in Salt Lake.

Prof. L. A. Merrill, state agronomist, suggested the manner of entertaining the Dry Farming congress, if it is held here in 1912. Prof. Merrill, who attended the congress at Spokane this year, said the feeling among the delegates at Spokane was that the best convention ever held was at Salt Lake three years ago. He also said that all those whom he approached were desirous of bringing the convention to this city on account of its being centrally located in the dry farming district.

John T. Burns, secretary of the Dry Farming congress, will be in the city about next Wednesday, and will be the guest of the Commercial club. Efforts are also being made to bring the convention of the Commercial Law League to Salt Lake in either July or August of next year. The Commercial club was asked to support in this matter by the Utah Bar association.

DATE SET FOR SIRMAY HEARING

Alleged Murderer of Thomas R. Karkick of Salt Lake Set for Monday Afternoon.

Salt Lake, Oct. 22.—The preliminary examination of Julius Sirmay, the Hungarian youth charged with the murder of Thomas R. Karkick on Oct. 12, will be held at the state penitentiary at 2:30 o'clock Monday afternoon before Judge J. J. Whitaker.

No counsel has been employed as yet for the alleged murderer, and it is likely that he will not be represented by counsel until the case comes up for trial in the district court. Sirmay has made no request for counsel and is viewing the situation with stolid unconcern.

Seattle, Wash., Oct. 22.—Nathaniel Bledser, the negro soldier of the Twenty-fifth United States infantry convicted of assault on a white woman near Fort Lawton last June was sentenced to an indeterminate sentence of fourteen years in the state penitentiary.

ORDERS MAYOR TO APPEAR IN COURT

Seattle, Oct. 22.—Mayor Hiram C. Gill, Chief of Police Charles W. Wapenstien and the property owners and operators in the King street vice district were ordered to appear before Judge Mitchell Gilliam, of the superior court next Friday, in answer to citations in contempt of court issued to night. The citations were issued on a motion filed by the attorneys for the public welfare league, alleging that the anti-vice injunction issued by Judge Gilliam last week has been flagrantly ignored.

CAR REPAIR FRAUD DEFENDANTS IN COURT

Obtain a Writ of Habeas Corpus in the Superior Court.

Chicago, Oct. 22.—Attorneys for Frank B. Harriman, Charles L. Ewling and John M. Taylor, defendants in the Illinois Central car repair cases, forced a change in the plans of the prosecution here today when they obtained from the superior court a writ of habeas corpus. That will delay the case.

The three former Illinois Central officials appeared before Judge Brugsmeier in the municipal court and gave themselves up on their bonds, while their attorneys were seeking their freedom before the other court. They were released on bonds of \$10,000 each.

The writ is the result of a move on the part of the defense to remove the case from the municipal court at the conclusion of eight weeks of testimony on the ground that Judge Brugsmeier lost jurisdiction the first day of the hearing when he refused a change of venue.

It was alleged in the petition that the defendants were being held unlawfully and arbitrarily compelled to proceed with the preliminary examination. It also was set forth that Judge Brugsmeier admits irrelevant testimony.
